Hello All,

We will once again participate in this technology conference this year. Last year, Andy produced a one-sheet leasing information sheet that had all of the vacancies in the PBID, price per square foot, etc. I would like to update that sheet for this year's event. Bob brought information on his building.

In addition, our Economic Development website should be complete by then so I would like to incorporate the leasing availability information into the website too! Joe, please get last year's sheet from Andy and update it.

The event will be at Crafted on Thursday, 4/6/17.

Registration: 8AM
Event: 9AM - 4:30PM
Networking - 4:30PM at Brouwerij West

We may also consider using the trolley to provide a real estate tour.

Bob, let me know if you want to participate again this year.

Best regards,

Lorena Parker
